

One Dance UK Awards - Championing the dance sector across the UK.

Terms & Conditions for Awards nominations, judging and selection.

1. General

1. The One Dance UK Awards are set up to champion and celebrate the talented, inspiring, and skilled professionals and organisations that work in dance in the United Kingdom.

1.1. The principles of the One Dance UK Awards are:

1.1.1. That shortlisted nominees exemplify good professional practice in their specialist fields and within their respective categories.

1.1.2. That any organisation or individual can be nominated, provided they meet the criteria set out in the general criteria of the award-specific nomination form and those outlined in point 3.

1.1.3. That no-one be discriminated against based on their gender identity, ethnicity, age (see exceptions in point 3.1.2), sexuality, disability or socio-economic background.

1.1.4. That One Dance UK does not seek to identify the 'best' in any category, but to recognise and champion achievement across the sector.

1.1.5. Being nominated for, or given, an award does not provide a qualification, endorsement, or specific recommendation. It demonstrates that the selection panel considered the candidate to have demonstrated sufficient good practice/evidence to warrant receiving recognition for their work.

2. Nominations

2.1. Nominations can be received between the dates listed publicly on the website only. There is no guarantee that nominations received after this date will be included.

2.1.1. One Dance UK reserves the right to reopen nominations for a limited time once the formal deadline has passed.

2.1.2. One Dance UK reserves the right to remove any category that does not receive an appropriate number of eligible nominations. In this instance, those who have made a nomination will be contacted and invited to submit a nomination for another category if they wish.

4. Selection and Prize Giving

4.2. The individual members of the Selection Panel cannot be directly related to someone in their Awards Category; either a personal relationship (defined as immediate family member, i.e. a parent, or spouse) or a close working relationship (defined as a line-manager, employer or recruiter, for example). The selection panel member can still judge but not for that category.

4.3. The short-listing Selection Panel will also make the decision, either independently via an algorithm or together as a group, as to who should be the recipient of each Award.

4.4. In the instance of a publicly voted award, One Dance UK reserves the right to consult the relevant panel of judges in: the event of a tied vote; the event that the difference in percentage of the vote is less than 1% between nominees; other circumstances that may call into reasonable doubt the validity of the public vote.

4.5. No correspondence between the Selection Panel, those that nominate or nominees will take place prior to the decision being made.

4.6. Formal feedback will not be provided to shortlisted nominees unless requested, and at the discretion of those on the judging panel.

4.7. One Dance UK reserves the right not to award any particular award in any given category.

4.8. All shortlisted nominees will be invited to attend the awards event or take part in any alternative ceremony that takes place. Nominees can send a representative in their place; this would need to be agreed in writing at the latest of one (1) week before the prize-giving date for a live event or appropriate date for any alternative ceremony, and ideally no less than two (2) weeks.

4.9. If a nominee accepts to attend the awards event and then cancels with less than two (2) weeks notice, or does not attend on the day, the nominee will be charged for any losses incurred due to non-attendance.

4.10. It is planned that the awards ceremony will take place early in the year in the UK. Should this not be able to go ahead, an alternative ceremony will be considered as the formal announcement for the awards.

4.10.1. In the instance that a live event cannot take place, physical awards will be posted to recipients after the alternative ceremony has taken place.

4.11. In the case of a live event, the attendees will be asked to provide media consent for their photographs to be taken and used by One Dance UK and sponsorship partners in promotional print, online marketing and social media.

4.12. The attendees will be asked to provide information for One Dance UK to use during the ceremony, which should be provided by the date outlined within the invitation and subsequent correspondence.

4.12.1. This may include, and is not limited to, information on dietary requirements and accessibility needs, headshots or images, biographies and personal contact details of guests.

4.12.2. One Dance UK will be as accommodating as possible regarding content and information that comes through past the final deadline. However, any information or content that comes through past any set deadline has no guarantee of being used and/or submitted where relevant.

4.13. The prize will consist of:

4.13.1. An engraved trophy specific to the award category and the award recipient.

4.13.2. For individuals, a basic individual membership. Awardees will have the option to include add-ons, such as the Wellbeing Package, at an additional cost.

4.13.3. For organisations, an alternative to membership will be offered, such as complimentary advertising as part of One Dance UK's publications or website, highlighting their Awards, timings and place at One Dance UK discretion.

4.14. There is no cash prize, or cash alternative.

4.15. Any award that is not collected on the night will be sent by post to the address provided by the shortlisted nominee.

4.15.1. In an instance where the shortlisted nominee has not provided an address, One Dance UK will endeavour to secure the appropriate address, including using the addresses submitted on the nomination forms.

4.16. Shortlisted nominees have the right to withdraw from the Awards process at any time and are not contractually obliged to cooperate. However, by giving consent to One Dance UK and agreeing to participate either verbally or in writing, there is an agreement between One Dance UK and the Shortlisted nominee that they will comply with requests from One Dance UK within the time frames given.

4.17. Those who receive an Award may be asked by One Dance UK for updates, testimonials and/or commentary on being an Award recipient following the ceremony. This may be used to promote the following Awards iteration, and may be used in reports to funders and supporters of One Dance UK activity. Data, testimonials and

commentary will be handled and managed in line with our Data Policy, and point 5 of these terms and conditions.
